The Rising Star is probably the most complimentary healing system on the planet at this time, raising the vibration of the aura (or human energy field) and the energy field around every living thing. The Rising Star allows the practitioner and the client to still the mind and transfer Divine Life Force energy to the part of the being where it is most needed for healing. The Rising Star works on all levels at once: the mental, physical, emotional, and spiritual. It is of a higher frequency than the level of Master in Reiki on a pure energy source. It was channeled by Master healer and Spiritual teacher Derek O'Neil, from Ireland in 2002.

For those who do not wish to become a practitioner of this sacred healing system, this initiation, also known as the Minjushri Initiation, is still very beneficial. It is an extremely powerful initiation that calls upon the Fire of Truth to remove all energies from your being that are allied with error and that are in accord with the True Self. It raises your vibration and removes much that may be blocking the attainment of your full potential. It is an initiation from Source to Source, completely pure.

In this workshop you will receive:

- ◆ Initiation into the Rising Star system
- ◆ Full instructions on how to perform a Rising Star healing
- ◆ Guidance on how to work with the Masters who are present during each Rising Star session
- ◆ Suggestions for how to advertise and market Rising Star sessions
- ◆ Practice doing a Rising Star healing

Membership in the Born Free Now Organization offers numerous benefits and is a requirement for practicing Rising Star healings for monetary compensation. For further information about Derek O'Neil and the Born Free Now organization please visit: [www.bornfreenow.com](http://www.bornfreenow.com)
